

# Awareness Campaign

*Lived experience of parents who have children with complex medical needs*

All staff are welcome! Pizza lunch provided.

Presentation Objectives:

- Learn about the Navigator Program
- Gain insight on “A day in the life” of a parent with a medically complex child
- Anecdotes of actions that have made a world of difference for parents in a hospital setting
- Have the opportunity to talk openly to parents with lived experience and ask questions.

Please join us on either of these dates:
