

## **Sharlynnne Burke**

**Executive Director, Clinical Operations for child, youth and young adult mental health and substance use services, and specialized pediatric medical services, BC Children's Hospital, PHSA;  
Network Advisor, Children's Healthcare Canada  
Child & Youth Mental Health Network**

Sharlynnne Burke is the Executive Director, Clinical Operations for child, youth and young adult mental health and substance use services, and specialized pediatric medical services at BC Children's Hospital, Provincial Health Services Agency. She is a Registered Psychiatric Nurse, and a Master's Prepared Social Work. Following her passion, she has over 16 years of leadership experience in pediatric mental health. As a parent of a neurodiverse young adult, Ms. Burke appreciates the integral role that family plays in the development and provision of services.
